MEMORANDUM

TO: The Montgomery College Community

FROM: Dr. DeRionne P. Pollard, President

SUBJECT: Welcome Senior Vice President for Administrative and Fiscal Services

Please join me in welcoming Cathy Jones, our new senior vice president for administrative and fiscal services, on her first day at Montgomery College. Today she takes the helm of the College unit that includes the Offices of Auxiliary Services, Budget, Business Services, Employee Engagement & Labor Relations, Facilities, Human Resources, Information Technology, and Internal Audit.

Ms. Jones has 28 years of progressively responsible experience as a leader in financial administration and fiscal services. Prior to coming to Montgomery College, Ms. Jones served as the vice president of finance and administration/chief financial officer at Northwest Michigan College in Traverse City, Michigan. She has also served as the director of business operations at the Georgetown University Law Center, and as the manager of accounting operations for the National Rifle Association. In addition, she worked as the director of evening college/interim vice president of academic affairs at Spartanburg Methodist College in South Carolina. Previously, she served as an assistant professor of accounting, business law, and economics at Gordon College in Barnesville, Georgia.

Ms. Jones earned her MBA with honors from Georgia College and her bachelor of business in accounting from West Georgia College. She also holds a certified business management (CBM) license. She is currently enrolled in the doctor of management in community college policy and administration program at the University of Maryland University College.

Finally, I wish to thank Ms. Vivian Lawyer, who served as the interim senior vice president since July 1, when Mr. Marshall Moore began his retirement. Ms. Lawyer provided important leadership and guidance to the unit during this time of transition, and stepped in to keep several major initiatives on track.
