MONTGOMERY COLLEGE
Office of the President

January 18, 2013

MEMORANDUM

To: Montgomery College Colleagues

From: Dr. DeRionne P. Pollard, President

Subject: Administrator Appointments

In my memorandum of December 7, 2012, I shared the context in which administrator decisions are made. Recall that when a vacancy or opening in an administrative position occurs, I can address it in one of three ways: (a) conduct a search, (b) reassign a qualified administrator to fill it, or (c) assign a non-administrator who has successfully served in the role for a year. As you know, there have been nine searches underway or planned in the current fiscal year.

Today, I am pleased to announce appointments of individuals who have served Montgomery College with distinction. Effective as of January 2, 2013, these appointments will provide continuity and stability within their units and for the College.

Administrator Reassignments

The following administrators have been reassigned to these new roles:

- Vicki Duggan, Chief Compliance Officer
- Robert Preston, Vice President of Audit and Business Process Management
- Dr. Janet Wormack, Associate Senior Vice President for Administrative and Fiscal Services

New Assignments

The following employees have served in acting or interim roles for a year or more, and are assigned to fill these roles permanently:

- Jamin Bartolomeo, Associate Dean of Student Services, Germantown Campus
- Patrick Johnson, Director of Procurement, Office of Procurement
- Ruby Sherman, Vice President of Finance
- Jacia Smith, Director of Employee and Labor Relations and Recruitment, Office of Human Resources, Development, and Engagement
- Dr. James Sniezek, Instructional Dean, Takoma Park/Silver Spring Campus

I want to thank all of these individuals for their service. The College is fortunate to have dedicated individuals to guide and support the people and operations that make Montgomery College a successful institution. Please join me in welcoming them to their new roles.
