**RESPONSE TO MONTGOMERY COUNTY PLANNING BOARD MANDATORY REFFERAL  
RECOMMENDATIONS, TAKOMA PARK/SILVER SPRING CAMPUS CATHERINE AND ISIAH  
LEGGETT MATH AND SCIENCE BUILDING PROJECT, APPLICATION MR2019011**

**BACKGROUND**

Maryland law (Land Use Article Sections 20-301 through 20-305) requires all federal, state and local governments planning construction projects to refer their plans for review by the Maryland National Capital Park and Planning Commission (the "Commission") and/or the Montgomery County Planning Board (the "Planning Board"). This process is called mandatory referral, and though Montgomery College, as an instrumentality of the State, is not subject to zoning laws, it is subject to the mandatory referral process. Applicable State law makes clear that the entity that submits its plans for review to the Commission or Planning Board may overrule any disapproval and proceed with the activity (Land Use Article Section 20-303), and also authorizes the Commission to establish uniform standards of review (Land Use Article Section 20-305).

In accordance with its "Uniform Standards for Mandatory Referral Review," upon application and review, the Planning Board will recommend approval (with comments, if appropriate) or disapproval of a Mandatory Referral Application. The Chair of the Planning Board will then send a letter to the head of the applicant public agency containing the Planning Board's decision and rationale and requesting a response stating how the agency will proceed with the proposal and explaining any variations from the Planning Board's decision and recommendations. It is recommended this response be provided within 30 days. As noted above, the Planning Board's decision and recommendations are advisory only.

This resolution concerns the mandatory referral process for the Catherine and Isiah Leggett Math and Science Building on the Takoma Park/Silver Spring Campus and is reflected in application MR2019011. On February 20, 2019, the College received a letter from the Chair of the Planning Board approving the mandatory referral application submitted for the Leggett Building with 14 recommendations. This action would authorize the president to respond to the chair of the Montgomery County Planning Board regarding the recommendations of the Planning Board with respect to the Leggett Building mandatory referral application. The letter will inform the Planning Board of the College's intentions as to each of the recommendations and demonstrate the College's commitment to meet the spirit of a majority of the recommendations.

Unlike reviews in a local jurisdiction (e.g., City of Rockville) that are subject to a separate provision in the Land Use Article (Section 3-205) requiring a vote by at least two-thirds of the Board of Trustees' entire membership to overrule the decision and recommendation, the attached resolution may be approved by a majority vote.

**RECOMMENDATION**

It is recommended that the Board of Trustees approve the College's response to the mandatory referral application MR2019011 and authorize the president to send a letter to the chair of the Planning Board informing it of this action with further information relating to the College's intentions as to each of the recommendations as outlined to demonstrate the College's commitment to meet the spirit of a majority of the recommendations.

WHEREAS, On December 14, 2018, Montgomery College submitted a mandatory referral application to the Montgomery County Planning Board for the proposed construction of the Catherine and Isiah Leggett Math and Science Building on the Takoma Park/Silver Spring Campus; and

WHEREAS, On February 14, 2019, the Montgomery County Planning Board met to consider the application and voted unanimously to approve the College's application, finding that the location, character, and extent of the development represented by the project in the application was consistent with the applicable Takoma Park Master Plan; however, the Planning Board's approval also contained fourteen (14) recommendations; and

WHEREAS, On February 20, 2019, the College was officially notified in writing of the Planning Board's approval and recommendations; and

WHEREAS, Pursuant to the "Uniform Standards for Mandatory Referral," it is recommended that the College submit a response to the Planning Board within 30 days stating how the College will proceed with the proposal and explaining any variation from the Planning Board's decision and recommendations; and
