SUPPLEMENTAL APPROPRIATION REQUEST FOR THE FY21 OTHER FUNDS BUDGET

BACKGROUND

On March 5, 2020, the governor of the State of Maryland proclaimed a state of emergency and health emergency to control and prevent the spread of the COVID-19 virus within the state. On March 11, 2020, the president of the College issued a memorandum detailing the College's response plan to the pandemic. The plan called for the College to begin providing instruction remotely that included counseling and support services, as well as requiring that all non-essential employees to work remotely. Since then, the College has continued to operate remotely with restricted access to all campuses.

On June 22, 2020, the Board of Trustees, under resolution 20-06-066, approved the FY21 Other Funds Budget as adopted and no further changes were necessary to the Board's original authorization of \$18,782,000, shown in the budget document, allotted for the Federal, State, Private Grants, and Contract fund. A supplemental appropriation request to increase the allotted amount from \$18,782,000 to \$20,14,801 was approved by the Board of Trustees on October 19, 2020, under resolution 20-10-084. Since the adoption of the FY21 budget and the approval of the supplemental request, both federal and state governments have awarded various grants such as: the US Department of Education Coronavirus Response and Relief Supplemental Appropriations Act (CRRSAA); the Higher Education Emergency Relief Fund II (HEERF II); the MHEC Governor's Emergency Education Relief II (GEER II); and the MHEC Recovery Now Fund to Montgomery College. These grants help ensure that the College continues its mission in providing higher education learning opportunities to students during the COVID-19 pandemic.

**US DEPARTMENT OF EDUCATION, CORONAVIRUS RESPONSE AND RELIEF
SUPPLEMENTAL APPROPRIATIONS ACT (CRRSAA), HIGHER EDUCATION EMERGENCY
RELIEF FUND (HEERF II)**

On December 27, 2020, the Coronavirus Response and Relief Supplemental Appropriations Act, also known as CRRSAA, was signed into law to address the economic and financial burden for students and educational institutions due to the COVID-19 pandemic in the United States. The US Department of Education notified Montgomery College that the total funds available to the College would be \$23,080,761 of which \$5,497,875 must be expended for emergency student assistance. The College has one year from the date of the Grant Award Notice of February 16, 2021 to award these funds.

The balance of these funds, \$17,582,886, is available to the College for institutional costs. The College has one year from the date of the Grant Award Notice to expend these funds. Under section 314(c) of the CRRSAA, “the Recipient may use these grant funds for the Recipient’s Institutional Costs to defray expenses associated with coronavirus (including lost revenue, reimbursement for expenses already incurred, technology costs associated with a transition to distance education, faculty and staff trainings, and payroll); carry out student support activities authorized by the Higher Education Act of 1965 (HEA), as amended that address needs related to coronavirus; and make additional financial grants to students that may be used for any component of the student’s cost of attendance or for emergency costs that arise due to coronavirus, such as tuition, food, housing, health care (including mental health care), or child care.” In order to expend the CRRSA Act Institutional funds of \$17,582,886 in FY21 and FY22, the College must request a supplemental appropriation from county government.

MHEC GOVERNOR’S EMERGENCY EDUCATION RELIEF II (GEER II)

Under CRRSAA, the US Department of Education awarded supplemental grants to governors through the Governor’s Emergency Education Relief II (GEER II) Fund to support and assist local education agencies, institutions of higher education, and other educational entities with emergency assistance due to the novel Coronavirus (COVID-19). Governor Hogan allocated \$7.4 million of GEER II funding for community colleges to expand existing and develop new in-demand workforce development training and educational programs, and to market these programs to students, industry, and recently unemployed individuals who reside in Maryland. The GEER II Fund is administered by the Maryland Higher Education Commission (MHEC). On March 30, 2021, MHEC notified the College that its application for GEER II funding was approved and awarded the College \$1,007,733. The College has until March 30, 2023 to expend these funds. The College will use the majority of GEER II funds for direct student support to help residents whose employment or household employment has been affected by COVID-19, to pursue workforce development courses and continuing professional education that lead to government or industry required certification or licensure. Funds will be used for scholarships, ancillary student costs, technology vouchers, and project personnel.

MHEC RELIEF RECOVERY NOW FUND

Under the Recovery for the Economy, Livelihoods, Industries, Entrepreneurs, and Families (RELIEF) Act, 2021, the Maryland General Assembly approved funding for the Recovery Now Fund. The Recovery Now Fund provides aid to Maryland community colleges. This aid increases community colleges’ resources to support training, improve job skills, and provide other assistance related to reentering the workplace after losing a job or being negatively affected by the novel Coronavirus (COVID-19). Governor Hogan allocated \$8.8 million of Recovery Now Funds to expand existing and develop new in-demand workforce development training and educational programs, and to market the programs to students and community members who are recently unemployed or want to improve their job skills to re-enter the workplace.

The Recovery Now Fund is administered by the Maryland Higher Education Commission (MHEC). On March 17, 2021, MHEC notified the College that its application for Recovery Now funding was approved and awarded the College \$1,575,789. The College has until June 30,

2021, to expend these funds. The College will use the majority of Recovery Now funds for equipment and supplies to help residents pursue workforce development courses and continuing professional education that lead to government or industry required certification or licensure.

RECOMMENDATION

It is recommended that the Board of Trustees approve and support a supplemental appropriation request to the Montgomery County executive and county council in the amount of \$2,325,789 for the FY21 Federal, State, Private Grants and Contract fund. This action will increase the FY21 Federal, State, Private Grants and Contract appropriation to \$22,469,590. The College estimates that the Institutional Portion of the Higher Education Emergency Relief Fund (HEERF II) Formula Grants Authorized by section 314(a)(1) of the Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (CRRSAA) will fund \$500,000 of this request. The Governor's Emergency Education Relief II (GEER II) Fund authorized by section 314(a)(1) of the Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (CRRSAA) will fund an estimated \$250,000 of this request. The Recovery Now Fund authorized by the Recovery for the Economy, Livelihoods, Industries, Entrepreneurs, and Families (RELIEF) Act, 2021, will fund \$1,575,789 of this request.
