

## GENERAL STUDIES AA: INTEGRATED STUDIES AREA OF CONCENTRATION (INTG CORE): 611D

Total Credits: 60

Catalog Edition: 2019-2020

### Program Description

The Integrated Studies Core allows students to explore a unique interdisciplinary combination of courses and disciplines. Students select 2 Cores and complete a minimum of 18 credits, 9 credits from each of the selected Cores.

### Program Outcomes

Upon completion of this program a student will be able to:

- Articulate a plan for their educational and career development that relates their coursework to their goals.
- Identify available resources related to their ongoing educational and professional development.
- Apply critical thinking, quantitative reasoning, and/or scientific reasoning skills by articulating, analyzing, and evaluating problems and scenarios across discipline areas.
- Find, evaluate, use, and synthesize information needed to address increasingly complex problems and scenarios.
- Use technology effectively to accomplish a variety of general and discipline specific activities.
- Communicate effectively in writing and orally appropriately across disciplines.
- Articulate an academic identity that reflects an integrated, interdisciplinary view of their formal, co-curricular and personal learning.
- Make and articulate the connections within their course of study.
