INTERIOR DESIGN CERTIFICATE

Total Credits: 21
Catalog Edition: 2024-2025

Program Description

(R): 266

This curriculum provides new skills for interior-design related careers or for a change in job specialization. It includes general foundation core education in interior design, combined with technical and specialized education in advanced design topics, such as lighting, kitchen, bath, office, FF&E (movable and fixed furniture, fixtures, and equipment), and other specialty career options within the interior design profession.

Program Outcomes

Upon completion of this program, a student will be able to:

- Apply design principles and color theory in the execution of interior design projects.
- Identify the correct textiles, materials, finishes, and furniture for simple specifications.
- Collect and interpret the data necessary to solve simple interior design problems.
- Execute basic presentation and construction drawings.
- Articulate basic ethical considerations related to the interior design profession.
