\* Students must earn a C or better for courses to transfer to Chamberlain

After acceptance into the nursing program, students must obtain current CPR certification for "Healthcare Provider" or "Professional Rescuer" as well as a TB test or chest X-ray showing no evidence of tubercular disease. Clinical agencies require documented evidence (titers) of immunity to measles, mumps, rubella, and hepatitis B (immunization series may be in progress with titer obtained at its conclusion). In addition, knowledge of varicella (chicken pox) immune status by blood titer is required. TEAS testing is required of all Nursing Applicants – TEAS Study Materials
