Montgomery College Programs  
**Biotechnology Associate of Applied Science and Biotechnology Certificate**

Montgomery College (MC) and Montgomery County Public Schools (MCPS) have an articulation agreement for the Biotechnology program(s). For all of the programs listed above, students may earn college credits toward their college degrees or certificates through their Career and Technology program if they maintain a C average or better in the high school courses associated with the program of study. Students will receive credit upon their full admission to the College in an applicable degree program listed below on page 2.

**Student Directions:**

1. Submit an [application for admission](#) to MC.
2. Print this Articulation Credit Form.
3. Return the completed Articulation Credit Form and, if required, the test certification forms to your high school registrar for verification.
4. Ask the registrar to attach a copy of your official transcript to the Articulation Credit Form and mail to: Montgomery College, Transcript Evaluator, Office of Admissions and Records, 51 Mannakee St., Rockville, MD, 20850.
5. Sign your name below to signify that you have read over this Credit Form and you understand the requirements of earning credit at MC.
