Total Number of Credits:	32

Milestones and Notes:	
1. Complete ENGL101 and/or ENGL Foundation before completing your 12th credit.	
2. Complete MATH Foundation (MATH117 recommended) by the end of your 12th credit.	
3. Apply to the MC Nursing Program after completing all pre-requisite requirements.	
4. Apply for graduation during your last semester at MC.	
5. Meet with your Nursing Advisor semesterly.	

The MC Nursing Program has specific admissions requirements. Applications should be received by April 1 for fall semester and by August 1 for spring semester. For additional information, contact the Admissions and Records Office at the Takoma Park/Silver Spring Campus, 240-567-1501, or the program department.

* = required for RN to MSN Articulation # = required for admission into the MC Nursing Program

After acceptance into the nursing program, students must obtain current CPR certification for "Healthcare Provider" or "Professional Rescuer" as well as a TB test or chest X-ray showing no evidence of tubercular disease. Clinical agencies require documented evidence (titers) of immunity to measles, mumps, rubella, and hepatitis B (immunization series may be in progress with titer obtained at its conclusion). In addition, knowledge of varicella (chicken pox) immune status by blood titer is required. TEAS testing is required of all Nursing Applicants – TEAS Study Materials
