Dual Enrollment Club	The Dual Enrollment Club is a new student-led club designed to connect and support students participating in Dual Enrollment at Montgomery College. The club provides opportunities for students to build meaningful connections, develop leadership skills, grow personally and professionally, and become more engaged in the College community. Through educational, cultural, social, professional, and service-based activities,	Joanna Quinones-Giron jquino18@montgomerycollege.edu	October 7 October 21 November 4 2-5 p.m. SA 304

	members will have opportunities to connect beyond the classroom, meet students from different programs and pathways, participate in events, and contribute ideas for future programming. While the club is centered on the experiences and success of dually enrolled students, all Montgomery College students are welcome to join, participate, and contribute to the club. The goal is simple: connect students, create opportunities, and strengthen the student experience at Montgomery College.		
Financial Literacy Club	The goal of the Financial Literacy Club is to organize meetings and actively plan ways to help students manage and afford their college expenses. We aim to collaborate with the Financial Aid Office to provide students with valuable information about FAFSA, the Maryland Higher Education Commission (MHEC), MDCAPS, scholarships, grants, and other financial resources. Through flyers, posters, workshops, and awareness campaigns, we hope to connect students with opportunities to secure financial assistance and make paying for college more manageable.
